The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to The City of Sarasota, Florida for its annual budget for the fiscal year beginning October 1, 2004. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.
