Project Number	Project Name & Description	Project Funding	Reappropriated Funds	2006-07	2007-08	2008-09	2009-10	2010-11	5 Year Total 2007-11
BUILDING/FACILITIES									
GS-04.0	City Hall and Annex Improvements Additional work necessary to repair City Hall Fountain including replacement of plumbing, motor and surrounding wall (\$30,000) and renovation of reflecting pool with materials that will result in a more reliable and long-lasting reflecting pool (\$34,000). The \$34,000 will be funded from funding designated for public art. <i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>	General Fund	-	64	-	-	-	-	64
PW-59.0	Fuel Island Upgrade Replace existing fuel tanks, lines and pumps at the Public Works Equipment Maintenance Facility as mandated by Federal EPA requirements. Funding will be provided through user fees by accumulating \$80,000 per year for 5 years. <i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>	User Fees	400	-	-	-	-	-	400
GS-05.0	City Building Facilities Estimated cost to harden existing structures at Central Records and City Hall Annex for high wind conditions per consultant's report. <i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>	General Fund	-	781	-	-	-	-	781

		Tourist Tx (1cnt)	280	-	-	-	-	-	280
		Federal Grant	930	5,902	5,689	-	25	-	12,546
	An on-going beach nourishment program to provide sand on the entire Gulf-front of Lido Key for the protection of upland property and to support the economic benefit of tourism. It consists of a multitude of projects in accordance with a Management Plan approved by the City Commission in 1991. The proposed projects within the next ten years are: "2005 Post-Storm Beach Repair Project", 2007 Federal Shore Protection Project", 2009 New Pass Maintenance Dredging Project", and "2012 Federal Nourishment Project".								
	<i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>								
RP-18.0	Bayshore Protection								
RP-18.1	Seawall Reconstruction	Penny	180	75	75	-	-	-	330
	Reconstruction of failing seawalls as needed throughout the City. Funding should allow for the prioritization and reconstruction of one seawall per year starting with the request from the Bay Point Park Neighborhood Association.								
	<i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>								
WU-39.0	Reuse Transmission System	Ext Penny	1,000	-	-	-	-	-	1,000
	Expansion of reuse transmission system to serve medians, parks and public facilities. Expansion to Newtown Recreation Area to be completed by summer 2006.								
	<i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>

	Design, permitting, construction and implementation of the Bayfront Park Mooring Field Management Plan. Includes installation of a managed mooring field consisting of 109 moorings total in the harbor along with a 10.4 acre anchorage area and a liquid wastes "pump-out" boat. The General Fund will pay the design and permitting cost of \$164,836 Construction is estimated to cost \$575,000 and is anticipated in early 2007. The "pump-out" boat is estimated to cost \$70,000. The total estimated project cost is \$810,000.								
	<i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>

STORMWATER

SU-02.0	Stormwater Utility Projects	Ext Penny	3,789	825	825	825	-	-	6,264
		Ext Loan to SU-01.0	300	-	-	-	-	-	300

The enhanced stormwater projects are being designed in the order of the approved prioritization. Four of the projects prioritized in fiscal years 01-04 have been completed. Nine other projects are in the design phase with construction to begin in FY 04 through FY 06. Design phases of four more projects should begin in FY 05-06 with construction to begin in FY 07-08. Two more will be designed in FY 06-07 with construction in FY 07-08. The final six projects are scheduled for design in FY 07-08 with construction in FY 08-09.

These projects will be maintained by Sarasota County.

TRANSPORTATION									
EN-20.0	Traffic Signalization - City Wide	Gas Tax	191	60	60	60	60	60	491
		Penny	400	200	200	200	200	200	1,400
	Reconstruct 27 City-owned span wire type traffic signals to steel pole mast arms in accordance with FDOT policy #(000-625-020-a). The Engineering Department has prioritized the top 10 needing replacement.								
PW-58.0	Pedestrian Sleeves	Penny	1,800	-	-	-	-	-	1,800
		TIF	-	300	-	558	-	-	858
	The Downtown Master Plan recommends establishing pedestrian sleeves wherever a designated pedestrian corridor crosses a high-capacity roadway. The reconstruction of roadway crosswalks would be designed to enhance pedestrian safety at major road intersections along the perimeter of downtown. Within the intersections themselves, different paving materials are used to clearly define the crosswalks. Phase 1 Fruitville Road and Central Avenue is scheduled for construction in 2007; Phase 2 Washington Blvd. And Main is scheduled for construction in 2009; and Phase 3 Fruitville Road and East Avenue are scheduled for construction in 2012. The Penny Sales Tax Fund will be reimbursed in 2007 by the Community Redevelopment Agency. <i>Projected annual maintenance cost is \$60,000. Actual cost will be refined based upon final design of the project.</i>								
PW-56.0	Handicapped Access Ramps/Other Imp	Penny	155	56	56	21	-	-	288
	Installation of approximately 250 new handicapped access ramps and other improvements city-wide . <i>The completion of this project is not anticipated to increase the City's annual operating costs.</i>								
EN-112.0	Parking Space Enhancement	Penny	-	-	33	50	-	-	83
	Develop an inventory of existing parking spaces and identify locations with on-street parking needs. Create more parking spaces by implementing the regulations in the modified Engineering Design Criteria Manual (EDCM). Included in this project is striping and signage which will address citizen concerns. The completion of this project is not anticipated to increase the City's annual operating costs.								

NOTES FDOT funds are expended by the Florida Department of Transportation.
Impact Fees are collected by the City but are transferred to and held by the County.

			Impact Fees	175	-	-	-	-	-	175
<p>In 2002-03 the City began preparing a master plan to develop a "signature" park for downtown Sarasota. Construction of Phase I is scheduled to begin in 2005-06 and will consist of the skate park building, a café, restrooms, 147 space parking lot, walking-jogging trails, sidewalks, trees, park lighting, maintenance building, irrigation system, park seating, and entry fountain. Estimated cost for the initial phase is \$7,500,000. Subsequent phasing of the project is estimated to cost an additional \$15,000,000.</p> <p><i>This project may require an amendment to the interlocal agreement with Sarasota County.</i></p> <p><i>The completion of this project is anticipated at a minimum to increase the City's annual operating costs \$91,600 (2 FTE).</i></p>

			Impact Fees	-	-	-	-	-	-	-
			County	-	-	-	7,015	-	-	7,015
<p>Rebuild 2-lane roadway with curbs, gutters, streetscape, walkways and medians from US 41 to US 301. The County will manage the project.</p> <p><i>Projected annual maintenance cost is \$65,000. Actual cost will be refined based upon final design of the project.</i></p>										
EN-75.0	Siesta Drive Drainage Hanson Bayou to Sarasota Bay		FDOT Grant	390	-	-	-	-	-	390
<p>Florida Department of Transportation funded and City administered design and construction of stormwater drainage facilities (roadside swales) to lessen flooding on the northern evacuation route from Siesta Key. Due to neighborhood objections to the use of swales, the City Commission has organized a task force to recommend a more aesthetic design and to identify funding sources for any additional cost. Additional funding of \$546,000 will be provided by SU-02.0. <i>Projected annual maintenance cost is \$10,000. Actual cost will be refined based upon final design of the project.</i></p>

THIRD PARTY PROJECTS

This section contains projects that are planned for completion within the City limits but funded by another entity.

EN-74.0	U.S. 301 from	FDOT	17,800	22,500	-	-	-	-	40,300
L-O-S	Wood Street to University Parkway								

Corridor Study and Planning, Design, and Environmental Study for 6 lane roadway from 12th Street north and 4 lanes with Transportation System Management (TSM) from 12th Street south have been completed. The next steps are design, right-of-way acquisition and construction. To improve the level of service (LOS) for the corridor and to remove some of the vehicular volume from US 41. Modify the intersections to provide a better level of service (LOS), to encourage vehicular traffic to utilize other North and South routes such as Tuttle Ave. and Beneva Road, to bypass south or north bound traffic from going through the Downtown area.

The completion of this project is not anticipated to increase the City's annual operating costs.

SLAB

Gulfstream Avenue	FDOT	-	405	-	-	-	-	-	405
U.S. 41 to Sunset Drive	Developer	145	-	-	-	-	-	-	145

Construct a continuous southbound to westbound right-turn from U.S. 41 onto Gulfstream Avenue.

The completion of this project is not anticipated to increase the City's annual operating costs.

Traffic Signal System - Phase 2	FDOT	-	-	-	-	-	-	-	-
---------------------------------	------	---	---	---	---	---	---	---	---

Upgrade traffic signal system to fiber optic communication medium. To provide high-speed data to 84 signalized intersections. This amount reflects the City's portion of a much larger \$39 million MPO/FDOT project.

The completion of this project is not anticipated to increase the City's annual operating costs. As better cost estimates become available, any additional cost impact will be identified.
