

PARKS AND LANDSCAPE MAINTENANCE

Mission Statement

To enhance and improve the quality of life in the City of Sarasota by effectively and efficiently identifying, developing and delivering comprehensive programs that 1) provide safe, sustainable and aesthetically pleasing City parks, medians, City owned properties and other rights-of-way in accordance with best management practices, 2) provide Historical Society guidelines for cemetery maintenance and 3) provide and promote effective sustainable "Green" initiatives.

Description of Operations

The Landscape Maintenance Division of the Public Works Department provides maintenance of landscaping on medians, at public buildings, at streetscape locations, at high visibility park areas, at public parking lots on a contractual basis, and at sanitary sewer lift stations contiguous to assigned areas, using best management practices. Irrigation systems are designed and maintained to provide maximum coverage using reclaimed water where available and in accordance with Southwest Florida Water Management District (SWFMD) guidelines.

Scheduled maintenance includes edging, mowing, blowing of grass clippings, weeding, litter control, pesticide and fertilizer applications, mulching, annual flower replacement and shrub, palm and tree pruning, removal and replacement. In addition, plantings are replaced in the case of auto accidents, vandalism and/or construction damage or purposes. Also provide the custodial maintenance services for restrooms located at Dr. Martin Luther King Jr. Park, Fredd "Glossie" Atkins Park and Bayfront Park.

In accordance with the City's Street Tree Program, trees are planted and maintained using accepted Florida Nursery standards in order to meet the program goal to preserve and establish tree canopy.

Additionally this section coordinates sustainable "Green" initiatives that help reduce the City's Green House Gas emissions through Alternative Transportation and City Fleet Vehicles, increase the recycling tonnage and usage for City Commercial and Residential property owners, promote Citywide water conservation and educate the City's property owners, increase City energy conservation by implementing alternative energy sources and/or using "Green" products, and promote new methods for building efficient and sustainable "LEED Certified" City and Private facilities.

PARKS AND LANDSCAPE MAINTENANCE ADMINISTRATION

Mission Statement

To provide the managerial oversight and administrative support to the employees of the division to allow them to effectively and efficiently perform the duties assigned in order to meet division goals and objectives.

Description of Operations

The Administration program provides support and management for employees who provide landscape maintenance and sustainability services Citywide. Landscape training is provided to employees in procedures consistent with good horticultural practices, sustainability and best management practices necessary to ensure normal, vigorous and healthy growing plant material. The program provides administrative assistance to personnel to ensure compliance with all Federal, State and local regulations.

In addition, this section coordinates sustainable "Green" initiatives that help reduce the City's Green House Gas emissions through Alternative Transportation and City Fleet Vehicles, increase the recycling tonnage and usage for City Commercial and Residential property owners, promote Citywide water conservation and educate the City's property owners, increase City energy conservation by implementing alternative energy sources and/or using "Green" products, and promote new methods for building efficient and sustainable "LEED Certified" City and Private facilities. Buildings that meet the standards and qualify as a Green Building will be fast tracked through the City's permitting process.

CITYWIDE PRIORITIES

PRIORITY - Sustainability/Green Initiatives

Strategy

Provide support for community activities promoting safety, health, cultural and recreation for the citizens.

Task

- To furnish assistance to special events.
- To furnish plant material to enhance public art installation.
- To furnish assistance to neighborhood cleanups.
- To furnish assistance to cemetery cleanups.

PRIORITY - Citizen Engagement

Strategy

Provide timely and courteous responses to requests for services.

Task

- To provide customers with status of request.
- To respond to 90 % of initial non-emergency service requests within 2 working days.

PRIORITY - Safe Community

Strategy

Provide personnel with a productive and safe working environment.

Task

- To provide monthly safety meetings for Department of Public Works employees.
- To provide employee training for landscaping, tree trimming, traffic control and chemical application.

PARKS AND LANDSCAPE MAINTENANCE ADMINISTRATION

PRIORITY - Budget

Strategy

Provide contract administration and field verifications of all contractual services.

Task

To review plans for functional maintenance and cost effective designs.

To provide quality assurance for planning and construction services.

To coordinate, monitor and inspect project or service.

To contract closeout and acceptance by Public Works.

To complete 80% of original contract work within 10% of budget and time allocated.

PARKS AND LANDSCAPE MAINTENANCE

LANDSCAPE MAINTENANCE

Mission Statement

To enhance and improve the quality of life in the City of Sarasota by maintaining safe and aesthetically pleasing City parks, medians and other right of way in accordance with best management practices for residents and visitors traveling in Sarasota.

Description of Operations

The Landscape Maintenance Unit provides consistent maintenance of landscaping for improved medians, parkways and street trees. Scheduled maintenance includes weekly edging, mowing, weeding and spraying, blowing and litter control; bi-annual mulching; annual fertilizing; and on an as needed basis annuals are replaced and trees are trimmed. In addition, plants are replaced in the case of auto accidents, vandalism or construction and litter control is performed following special events such as parades and street festivals.

CITYWIDE PRIORITIES

PRIORITY - Sustainability/Green Initiatives

Strategy

Maintain safe and aesthetically pleasing medians and other rights of way for residents and visitors traveling in Sarasota.

Task

- To maintain all landscape areas in accordance with established maintenance schedules.
- To keep landscape areas debris and litter free to enhance environmental quality.
- To use drought tolerant and native plants to the extent applicable.
- To regularly monitor for pests and use the least toxic substance to control them.
- To provide emergency response to vandalism.
- To maintain litter containers throughout the landscaped areas.

PRIORITY - Sustainability/Green Initiatives

Strategy

Maintain the tree planting program throughout the City's right of ways in accordance with the program guidelines.

Task

- To develop and maintain a healthy green environment for pedestrian designed shade.
- To trim low-reaching branches and palm trees that interfere with truck traffic using best management practices.

PARKS AND LANDSCAPE MAINTENANCE OPERATION & MAINT OF IRRIGATION SYSTEMS

Mission Statement

To enhance and improve the quality of life in the City of Sarasota by effectively identifying, developing and delivering comprehensive programs that provide scheduled maintenance and upgrades to the irrigation systems used in City parks, roadways, medians, right of ways and other City owned properties.

Description of Operations

The unit operates and maintains City owned irrigation systems efficiently in order to conserve water while maintaining the plant material in a healthy and attractive condition in accordance with Southwest Florida Water Management District (SWFWMD) regulations and using reclaimed water supplies where available.

Scheduled maintenance includes repair and replacement of pipe and heads, review of watering times, review of coverage areas and clock adjustments. In addition, heads, clocks and pipe are replaced in the case of auto accidents, vandalism or construction.

CITYWIDE PRIORITIES

PRIORITY - Sustainability/Green Initiatives

Strategy

Maintain safe and aesthetically pleasing City parks, roadways, medians and other rights of way for residents and visitors traveling in Sarasota.

Task

To maintain irrigation systems to promote healthy growth of plant material using an established schedule.

To use drought tolerant and native plants to the extent applicable.

To provide emergency response to irrigation system line breaks.

To maintain irrigation systems in accordance with all SWFWMD, state and local regulations.

PARKS AND LANDSCAPE MAINTENANCE

URBAN FORESTRY

Mission Statement

It is the goal of the City of Sarasota's Urban Forestry Division to provide the public with environmental, economic, and aesthetic benefits of an actively managed urban forest for present and future generations. This will be accomplished through forward thinking leadership in urban forest management, tree planting and forest preservation.

Description of Operations

This operation is responsible for the management of the Urban Forest located on City property and in rights-of-way. Programs include; maintain an inventory of all trees and palms, protect and inspect existing City trees and palms during construction or other activities within or near these trees, identify maintenance needs due to diseases, defects, pedestrian or vehicular safety hazards and clearance standards, train prune young trees to improve overall structure to increase longevity, removal of high risk and diseased trees to reduce the City's liability, mitigate and/or plant new with appropriate trees and/or palms and palm trimming to improve their aesthetic appearance.

In addition, a staff Arborist coordinates with other City departments regarding needs analysis for tree removal, protection of and proper species planting and relocations within City property or rights-of-way and implements the "Green Canopy" program, coordinates Arbor Day Celebrations with County School Board and private school groups, maintains the City's Tree City USA award status, and coordinates with Florida Department of Environmental Protection (FDEP) on management matters with mangroves.

CITYWIDE PRIORITIES

PRIORITY - Sustainability/Green Initiatives

Strategy

Manage urban forestry located on City property and rights-of-way.

Task

Maintain inventory of all trees and palms.

Identify maintenance needs due to diseases, defects, lines of sight conflicts and clearance issues.

Trim and prune young trees to improve overall structure and increase longevity.

Remove high risk and diseased trees.
