

## EQUIPMENT REPLACEMENT

### Description

The purpose of the Equipment Replacement Fund is to provide a mechanism that generates funds to be available to replace equipment on a predetermined schedule by "leasing" the equipment to the operating department at a rate that will be sufficient to cover the original investment plus inflation. Automobiles, trucks and certain other assets will be purchased through this fund and the monthly lease payment will become an operating expense to the applicable department. The Equipment Replacement Fund was originally funded by bond proceeds issued by the First Florida Governmental Financing Commission, however, all amounts borrowed were paid off during the 1994-95 fiscal year.
