Dear Lynn:

On behalf of the City and the Charter Review Committee, thank you for the extremely informative presentation you gave to the Committee last night. It was obvious that you had the full attention of the members and the audience. The information presented was enlightening and we appreciate very much your staying for almost two hours to respond to questions from Committee members and the public.

Your knowledge of the history and structure of local governments, as well as insight on developing trends, is in depth and precise, and you are a valuable resource.

It was a pleasure meeting you again, and thank you for taking time from your busy schedule to come to Sarasota. I look forward to working with you in the future.

Sincerely,

Pamela M. Nadalini
