

Weekly Project update:

Week of March 22

- Suffolk Construction will begin trench work for FPL relocation in East/West alley
- TECO Energy will continue to relocate gas line in East/West alley behind Main Street

Week of March 29

- FPL will begin installing poles in East/West alley behind Main Street

Week of April 5

- Suffolk Construction will begin FPL trench work in North/South alley behind the Opera House
- Suffolk Construction will install all required staging elements; a 3-foot silt fence will be used to minimize soil run-off and erosion on the construction site. In addition, a 6-foot high fence and windscreen will be installed around the project site for safety

For more information about Suffolk Construction and the Palm Avenue Parking Garage construction, please call Matt Slater, Senior Project Manager, at 941-554-3703.
