What is a Home Repair Loan?

Sarasota County and the City of Sarasota are working together to make 0% interest loans for home repairs.

Your home is an important part of our community. A house that is in good shape is valuable to your neighborhood as well as you personally.

TERMS:

0% interest with no monthly repayment required. Repayment would be deferred until sale, transfer, the home is no longer owner occupied or 30 years.

Certain guidelines must be met in order to be eligible for the program. The Sarasota Office of Housing and Community Development accepts applications and determines eligibility.

HOW MUCH CAN I BORROW?

The maximum allowable for rehabilitation repairs required to bring the property into compliance with local housing codes and rehabilitation standards is \$60,000. The amount of eligible repairs will depend on the work needed, the available equity in the home and compliance with the Florida Building Code.

An inspector from our office will visit your home to help you determine the repairs that are needed. You will obtain proposals for the work to be done. You choose the contractor for the job.

EMERGENCY PROGRAM

Repairs that present an immediate threat to the health or safety of the occupants will receive priority processing. The Emergency Program corrects major systems only that involve electrical, plumbing, roofing, heating and air conditioning up to a maximum of \$15,000. The loan terms and conditions will be the same as the regular home repair program.

HOW MUCH WILL THE MONTHLY PAYMENTS BE?

No monthly payments will be required. The loan will be repaid when the home is sold, no longer owner-occupied or 30 years whichever comes first.

HOW DO I APPLY?

We will help make the application process as simple as possible. At times, we have a waiting list for the program. Please contact our office to either apply or have your name added to the waiting list. You may contact us at 951-3640.
