CDBG-R SUBMISSION TEMPLATE **& CHECKLIST**

The American Recovery and Reinvestment Act of 2009 ("Recovery Act") was signed into law by President Obama on February 17, 2009. The Recovery Act awards \$1 billion in CDBG Recovery (CDBG-R) funds to be distributed to cities, counties, insular areas and states, of which \$10 million has been reserved by HUD for its administrative costs and \$10 million of which will be awarded to Indian tribes. Recipients of the remaining \$980 million of CDBG-R funds will be the approximately 1,200 jurisdictions that received CDBG funding in Fiscal Year 2008. This template sets forth the suggested format for grantees receiving funds from CDBG-R. A complete submission contains the information requested below, including:

- (1) The CDBG-R Substantial Amendment (template attached below)
- (2) Spreadsheet for Reporting Proposed CDBG-R Activities (see <http://www.hud.gov/recovery>)
- (3) Signed and Dated Certifications (see <http://www.hud.gov/recovery>)
- (4) Signed and Dated [SF-424](#).

Grantees should also attach a completed CDBG-R Substantial Amendment Checklist to ensure completeness and efficiency of review (attached below).

THE CDBG-R SUBSTANTIAL AMENDMENT

ENSURING RESPONSIBLE SPENDING OF RECOVERY ACT FUNDS

Funding available under the Recovery Act has clear purposes – to stimulate the economy through measures that modernize the Nation’s infrastructure, improve energy efficiency, and expand educational opportunities and access to health care. HUD strongly urges grantees to use CDBG-R funds for hard development costs associated with infrastructure activities that provide basic services to residents or activities that promote energy efficiency and conservation through rehabilitation or retrofitting of existing buildings. While the full range of CDBG activities is available to grantees, the Department strongly suggests that grantees incorporate consideration of the public perception of the intent of the Recovery Act in identifying and selecting projects for CDBG-R funding.

A. SPREADSHEET FOR REPORTING PROPOSED CDBG-R ACTIVITIES

Grantees must provide information concerning CDBG-R assisted activities in an electronic spreadsheet provided by HUD. The information that must be reported in the spreadsheet includes activity name, activity description, CDBG-R dollar amount budgeted, eligibility category, national objective citation, additional Recovery Act funds for the activity received from other programs, and total activity budget. An electronic copy of the spreadsheet and the format is available on HUD’s recovery website at <http://www.hud.gov/recovery>.

B. CDBG-R INFORMATION BY ACTIVITY (COMPLETE FOR EACH ACTIVITY)

- (1) Activity Name: (Grantees should follow the same order that activities are listed in the Spreadsheet for Reporting Proposed CDBG-R Activities – this will allow HUD to easily match activity narratives with the information provided in the spreadsheet.)

Storefront Renovation Program

- (2) Activity Narrative:

In addition to the Spreadsheet for Reporting Proposed CDBG-R Activities, grantees must provide a narrative for each activity describing how the use of the grantee's CDBG-R funds will meet the requirements of Title XII of Division A and Section 1602 of ARRA. The grantee's narrative must also state how CDBG-R funds will be used in a manner that maximizes job creation and economic benefit in relation to the CDBG-R funds obligated, and will address the Recovery Act, by:

- Preserving and creating jobs and promoting economic recovery;
- Assisting those most impacted by the recession;
- Providing investment needed to increase economic efficiency;
- Investing in transportation, environmental protection, or other infrastructure that will provide long-term economic benefits;
- Minimizing or avoiding reductions in essential services; or
- Fostering energy independence.

The City of Sarasota will use all CDBG – R funds to address the number 1 priority of the City Commission – the redevelopment of the Newtown neighborhood. The Newtown neighborhood is a low and moderate income area and has a high minority concentration. The City is currently using CDBG funds for a Storefront Renovation Program and the CDBG – R funds will be used to augment those efforts.

Attached in a spreadsheet provided by HUD is the activity name, activity description, CDBG-R dollar amount budgeted, eligibility category, national objective citation, additional Recovery Act funds for the activity received from other programs and total activity budget.

The City of Sarasota has a waiting list for businesses wanting to participate in the Storefront Renovation Program. Architectural plans and drawings are in the process of being prepared. This advance work will enable the City to award funds to businesses within 90 days of the receipt of funds and contracts will be awarded for the funds within 120 calendar days of receiving the funds from HUD.

The CDBG-R funds will be used for the renovation of businesses in a low and moderate income neighborhood. The CDBG-R funds will create jobs and promote economic recovery through the construction activity in the neighborhood and it will also preserve jobs and promote economic recovery in the neighborhood by enhancing the commercial district.

- (3) Jobs Created: (Report the number of full- and part-time jobs estimated to be created and retained by the activity (including permanent, construction, and temporary jobs)).

It is estimated that 10 construction jobs will be created as a result of the CDBG-R funding.

- (4) Additional Activity Information: (A description of how the activity will promote energy conservation, smart growth, green building technologies, or reduced pollution emissions, if applicable.)

The Storefront Rehabilitation Program will promote smart growth by enhancing neighborhood shopping and allowing lower income residents to purchase goods and services within their neighborhood without the need to drive to another area.

- (5) Responsible Organization: (Contact information for the organization that will implement the CDBG-R activity, including its name, location, and administrator contact information)

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG-R funds, unless CDBG-R funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources.
