By signing below, property owners are requesting that the City of Sarasota install trees, at no fee to the property owner, along the streets named above.

In exchange each owner will water the trees in front of his/her property according to the instructions provided by the City for up to one year as may be required to establish the tree in a healthy manner.

The City will replace trees that die from causes other than lack of watering.

The signers understand that the City will determine the appropriate tree selection for the location.
The signers also understand that at least two-thirds of all owners along the street must commit to the Partnership for the trees to be provided.

Typical Watering Schedule for New Trees

Week One: Water Twice a Day
Week Two: Water Once a Day
Weeks Three-Six: Water Once Every Other Day
Weeks Seven-Twelve: Water Two Times a Week
