

Introduction to Business Development Course

The CEO Introduction to Business Development course offers a combination of classroom training, one-on-one counseling and networking. Participants will have a chance to assess their entrepreneurial skills, determining whether they have a strong business concept, and look at the next steps toward starting or growing a business.

Classes are free, but require attendance at all classes, class participation, one-on-one counseling, research and homework. Course instruction is provided by certified business analysts and other business experts.

Applications are now being accepted at the
Newtown/North Sarasota Redevelopment Office
1782 Dr. Martin Luther King Jr. Way.
